

<p>Zenica 01.11.'94.</p>	<p>In the zone of responsibility of the "Bosna" OG, Chetniks are intensely fortifying the line of defence, using for that purpose the civilian population, most probably Moslems, escorted by armed soldiers. On the Chetnik defence line aggressor formations were noticed, not wearing uniforms or having only some parts of the equipment (helmets, etc.). Recently, intensive traffic of military vehicles (<i>m/v</i>) has been noticed between Čevaljuša and elevation 702 (Pods Jelovo). In the last 24 hours alone, 10 military trucks and 20 cars passed by. In the region of the village of Jablanica and the village of Crvenike, the movement was noticed of two tanks that did not open fire. In the OG "7-South" zone of responsibility, the Chetniks opened fire from the region of the village of G. Vitkovci, using a howitzer to target the villages of Mrkotić and Kalošević. From the region of Teslić, they opened fire from the 120mm mortar, targeting the civilian settlements in the Tešanj area. The movement of tanks was noted in the region of Široko brdo and <i>illegible</i>. In the OG "3-North" zone of responsibility, around 12:00 Chetniks attempted to infiltrate one sabotage and terrorist group (<i>DTG</i>) in the region of Velika Karanovica. Our forces (<i>n/s</i>) noticed them on time and dispersed them. The Chetniks also opened fire from a howitzer and a 120mm mortar, targeting our line of defence (<i>l/o</i>). The 3rd Corps units mainly hold the reached line of defence, continuously carrying out reconnaissance of the aggressor's positions. Combat security is put forward so as to prevent surprise on the part of Chetniks. In the 328th Mountain Brigade (<i>bbr</i>) zone of responsibility, reconnaissance was carried out in-depth of the axes determined in the plan "MANEVAR-94", and the relief of the reconnaissance-sabotage company (<i>IDČ</i>) and the military police (<i>VP</i>) unit, which are in the state of readiness, has been carried out. In the 201st Knightly Mountain Brigade (<i>V'bbr</i>) zone of responsibility, the units carried out reconnaissance of the facility k. 527, for the purpose of the anticipated offensive combat actions. A soldier from the 202nd Knightly Mountain Brigade got killed in the region of Husar. The Command of the OG "3-North" has been ordered to pull the "El M." Detachment out and take over the line of defence, employing the forces of the 7th and 330th Light Brigade.</p>	<p><i>illegible</i></p>
<p>Zenica,</p>	<p>In the OG "3-North" zone of responsibility, Chetniks sporadically opened fire from anti-aircraft weapons (<i>PA b/s</i>) from the region of the village of Velja, targeting the line of defence at <i>illegible</i>. In the afternoon hours, Chetniks fired 4 shells from the 82mm mortar, targeting Kajin sapot in the 330th Light Brigade's zone of responsibility. Our forces responded to the provocations from time to time and are intensely fortifying the reached line of defence. One soldier from 330th Light Brigade activated an anti-infantry mine and got wounded. In the OG "Bosna" zone of responsibility, intensified traffic of military vehicles has been noticed on the road between the village of Stog and Hadžići. In the afternoon hours Chetniks opened fire from the infantry (<i>PN</i>) weapons, 82mm mortars, targeting the lines held by the 328th and 329th mountain brigades. The region of Mahoje was targeted by one howitzer shell. Our forces fired back at Chetniks from time to time. The final preparations are in progress for the performance of the offensive combat actions in the direction of the village of Vozuća and, as part of</p>	<p><i>illegible</i></p>

	<p>those preparations, reconnaissance was carried out in the 328th Mountain Brigade's zone of responsibility on the axis between Ravne and Davulije, while the "El Mudžahedin" Detachment was carrying out the reconnaissance of the elevation k. 726.</p> <p>In the OG "7-South" zone of responsibility Chetniks attempted several attacks on the facilities of Kužno groblje and Trešnjev panj, while, in the 207th Mountain Brigade's zone of responsibility, the aggressor also carried out several attacks on our lines of defence in the region of <i>lillegible</i> and the village of Herzezi. Our forces successfully repelled all the attacks, inflicting to Chetniks the loss in manpower (<i>ž/s</i>). The morale in the units is good and the logistics procurement currently satisfies the needs.</p> <p>In the 3rd Corps Command, the Staff are intensely planning the forthcoming combat activities and, as part of that activity, the Chief of Staff went to the 2nd Corps Command for the purpose of coordinating the offensive combat activities in the region of the village of Vozuća.</p> <p>The control of the NGP <i>/expansion unknown/</i> tactical live-fire exercises in the 1st and 2nd manoeuvre battalions was done in the region of Nemilska rijeka.</p>	
Zenica, 03.11.94.	<p>In the OG "3-North" zone of responsibility, Chetniks opened fire from the 82mm mortar, targeting our line of defence, and in the 303rd "Glorious" Mountain Brigade ('S' <i>bbr</i>) zone of responsibility a sniper fire was opened. In the OG "Bosna" zone of responsibility, the enemy opened sporadic fire from anti-aircraft weapons and an 82mm mortar, targeting our defence line in the region of Bijeće ploče (201st Knightly Mountain Brigade), the village of Kosovo and Lazendići. Again they are firing from the artillery weapons, targeting Husar. There is a chance of a repeated attack on that facility.</p> <p>Our forces are mainly at the reached lines of defence, continuously carrying out reconnaissance of the enemy positions.</p> <p>Considerable success of the 1st, 5th, 7th and 4th corps largely contributes to the combat morale (<i>b/m</i>) of our forces, which is very good. During the day, Brigadier General Muslimović held a meeting with the IPS <i>/expansion unknown/</i> of the Corps, at which instructions for further activity were given.</p> <p>Today, around 12:15 hours, a fire was opened at the NATO plane from the Chetnik positions in Dobož and the village of Bočinja, with no consequences. The aircraft fired back. The 7th Corps forces achieved exceptional success by taking and liberating Kupres (the total of 200 square meters have been liberated). A large quantity of equipment was seized and a large number of prisoners were captured, of which tens of them were executed. Coordination was accomplished with the HVO forces that performed combat activities south of Kupres. Most probably Kupres will be given to HVO in exchange for the unhindered use of the road connecting Split – Kupres and Bugojno. There are ongoing combat activities at Kupresko polje.</p> <p>The tactical live-fire exercise, using the NGP, was performed today in the 3rd and 4th manoeuvre battalions in the area of deployment (<i>r/r</i>) of the 3rd Manoeuvre Battalion.</p>	

	...is 17.938 soldiers or 50.96%. As for the logistics, in addition to the regular activities, a meeting was held today at the 3 rd Corps Command with the assistant commanders for logistics (<i>PKLo</i>) from the subordinated units.	
Zenica, 30.12.'94.	<p>Today again the Serb-Montenegrin aggressor (<i>SCA</i>) violated the agreed ceasefire. Fire was opened from all infantry weapons against all our lines of defence. The movement of military vehicles was noticed in the region of the village of Trbuk, and in the period between 17:30 hours and 23:35 hours, several flights of the aggressor forces helicopters (<i>HE</i>) were noticed along mount Ozren. Our forces performed the defence type of combat activities. In the 207th Knightly Mountain Brigade zone of responsibility, Dragan (Milan) Šabić, member of VRS from the 1/16 Kmtbr <i>/Kupres Motorized Brigadel</i>, was taken prisoner. Colonel Rollo visited the 3rd Corps and in the meeting with the OG "B" Commander talked about the observation of cease-fire. Combat morale of our forces is relatively good. A total daily employment of military conscripts is 17.862 or 50.72%. The focus of the logistics procurement is on the replenishment of the 3rd Corps units with food and cigarettes, and fuel (<i>p/g</i>). There are indications that the UNPROFOR personnel from Belgium and France (accommodated in Kakanj) want to leave the 3rd Corps zone of responsibility. We informed the Security Administration (<i>UB</i>) and asked for instructions.</p>	/illegible/
Zenica, 31.12.'94.	<p>Today again the Chetnik units are violating the signed ceasefire, opening fire from infantry weapons, especially in the OG "7-South" zone of responsibility. The movement of vehicles was noted as well as the helicopter flights on the route between Ozren and Dobož. Our forces responded to Chetnik provocations and intervention units are ready to prevent any surprise.</p> <p>Today the 3rd Corps Command was visited by the UNMO officers from Žepče, led by Captain Tony Dalziel, in order to coordinate the plan of the mentioned team. Combat morale in our units is good and today a total of 17.860 military conscripts were employed. The number of deserters is 791 and that issue is being resolved.</p> <p>An incident occurred too when the members of the "El Mudžahidin" came armed to the premises of the War Hospital (<i>RB</i>) in Zavidovići, allegedly with the purpose of introducing a kind of "their own" order.</p>	
Zenica, 01.01.'95.	Today again Chetniks violated the signed cease-fire agreement by opening fire from infantry weapons and the 60/82mm mortars, particularly in the zones of responsibility of the OG "Bosna" and OG "7-South". In the OG "Bosna" area of responsibility, an aggressor forces' reconnaissance group (<i>As/s IG</i>) was noted, which was sent back to the Chetnik territory due to the fire our forces opened from the infantry weapons. Our forces observed the cease-fire but they sporadically responded to the Chetnik provocations by	/illegible/

	<p>opening fire from the infantry weapons. In the OG "Bosna" area of responsibility, the "El Mudžahid" Detachment was withdrawn and the Detachment's former line of defence was taken over by the forces of the 328th Mountain Brigade. The combat morale continues to be on a satisfactory level. The total daily employment of military conscripts amounts to 17.429, or 49.47%. As to the losses, today 2 soldiers suffered heavy and 1 suffered light wounds.</p> <p>The 3rd Corps Command's team of senior officers is at the command post (KM) of the 314th Glorious Mountain Brigade for the purpose of making the list and redistributing the brigade's supplies and equipment.</p> <p>Assistant Commander for Security of the 3/319th Mountain Brigade, Sidik Bolić, around 16:00 hours, for the reasons unknown so far, unannounced entered the area of responsibility of the Žepče HVO's 111th xp /<i>expansion unknown</i>/ where he was brought in and detained by the HVO military police. The Security Organ (OB) is acting towards the release of the mentioned officer.</p> <p>The situation regarding the electricity supplies in the Zenica region is still more than poor.</p>	
Zenica, 02.01.'95.	<p>During the day, in the areas of responsibility of the OG "7-South" and "Bosna", Chetnik forces were violating the signed cease-fire by opening fire from infantry weapons and the 60mm mortar, while the cease-fire in the OG "3-North" was observed. Our forces sporadically responded to the provocations and all intervention units are in the state of full combat readiness. In the 328th Mountain Brigade's area of responsibility, the line of defence was taken over from the "El Mudžahidin" Detachment. The engineering units (<i>illegible</i>) are clearing and maintaining the roads.</p> <p>Today XVII class of recruits took a solemn oath at the Training and Recruitment Centre (NRC) and present were some of the senior officers from the 3rd Corps Command. During the signed cease-fire, the preparations and development of combat operation plans are in progress.</p> <p>The daily employment in the 3rd Corps amounts to 17.366 military conscripts or 49.29%, whereas one soldiers suffered light wounds.</p> <p>This morning, at the command post of the OG "7-South", a regular meeting was held with the UNMO and BRIT BAT teams, while Major Mahony from BRITBAT visited the 3rd Corps Intelligence Organ with regard to the implementation of the agreement.</p>	<i>illegible</i>
Zenica, 03.01.'95.	<p>In the OG "Bosna" area of responsibility, Chetniks violated the cease-fire by opening fire from the infantry weapons in the region of the tt 715 facility (Podsjelovo), while in other OG's Chetniks observed the cease-fire. Our forces did not perform combat activities, observing the cease-fire, and the activities were focused on the engineering work on the defence line. All measures were taken towards the prevention</p>	<i>illegible</i>

	<p>of the possible infiltration of the sabotage-terrorist Chetniks. The total of 17.628 or 50.08% of the military conscripts were employed.</p> <p>During the day one member of the 7th Glorious Moslem Mountain Brigade got wounded due to the incorrect handling of the grenade (<i>ROB</i>).</p> <p>In addition to its regular tasks, the logistics activity focussed on the return of the equipment, issued to 314th Glorious Mountain Brigade, and its redistribution from the mentioned brigade to the 303rd Knightly Mountain Brigade.</p>

UNREVISED

<p>Zenica, 01.04.'95</p>	<p>At the 35th dKoV /Army Division/ area of responsibility, the Chetniks opened fire from P/N /Infantry weapons/ on our line of defence, whereas they fired from 82 and 120 mm MB /mortar/ on the 327th "V" /Vitez/ bbr /Mountain Brigade/ area of responsibility, also from H-122 on the very centre of Maglaj. In the 37th dKoV area of responsibility, they also fired from 82 and 120 mm MB on our line of defence, whereas they used H-105 on the general region of Kraševo.</p> <p>During the day, 3rd Corps Obo /Intelligence and Security Organ/ contacted the Head of UNMO in Žepča, Major /?MEISUER/ (Canada), and they talked about the plan of UNMO /?patrolling/.</p> <p>Also, Major McCollough was contacted from BRITBAT with regard to the problem about the road Tešanj-Maglaj.</p> <p>Our forces carried out a defence type of combat activities, and the 35th dKoV area of responsibility responded with fire from 82mm and 120mm MB, B-1 and T-12 cannon, also, the T-34 tank. At the 329th bbr area of responsibility, there were reconnaissance activities on the 4th /?mnb/ directions of attack and the "El Mujahedin" detachment. The snow on the road the village of Kamenica-the village of /illegible/ is being cleared.</p> <p>At the 37th dKoV area of responsibility they responded to the Chetnik fire by activities from P/N, PAM /anti-aircraft machine-gun/ and 82 mm MB. /illegible//v of 327th bbr consolidated the line of defence in the area of the facility of Husar.</p> <p>They started to move the command of the 374th</p>	<p>/signed/</p>	
------------------------------	---	-----------------	--

	<p>Command "S"/ Slavna; meaning Glorious/ br /brigade/ from the village of /?Jevdrije/ to the village of Mrkotić.</p> <p>When the Chetnik attack was carried out on our line of defence in the area of /?Osumčino/ brdo, our forces put 12 Chetniks out of action (5 dead and 7 wounded) and 5 facilities for fire activities were destroyed. During these combat activities one of our soldiers was killed. The situation of the morale and logistics is on a good level. In total, the number of those engaged in the Corps is 16,262 soldiers or 48%.</p>

UNREVISED

	<p>During the combat actions, our forces had 5 soldiers with heavy and 6 soldiers with light wounds.</p>	
Zenica, 28.05.	<p>In the zone of responsibility of the 35th Division, our forces continued carrying out the offensive combat activities towards the facilities: k.551, Vis and tt.551, attempting to take it. At the Podsjelovo facility, all Chetnik counter-attacks were successfully repelled. Heavy and bitter fighting took place. A large number of Chetniks were killed and put out of action, but our forces also suffered heavy losses, that is 15 members of the "El Mudžahid" Detachment, who had taken the Podsjelovo facility, got killed. 64 soldiers suffered light wounds.</p> <p>However, Podsjelovo is firmly in our hands.</p> <p>On the other battlefields in the 3rd Corps zone of responsibility, a more intense Chetnik fire from the infantry weapons, mortars and a tank has been noted in the defence zone of the 373rd 'Glorious' Mountain Brigade and 110th HVO 'Glorious' Mountain Brigade. Our forces fiercely fired back.</p> <p>The 3rd Corps and 37th Division's intelligence organ contacted the Liaison Officer /LO/ of the BRIT/CANBAT, who thanked for cooperation in the relocation of a part of the unit from the base at Jelah to the base "EKO" in Žepče.</p> <p>The state of the combat morale is good, and the organs for morale in the units are engaged in dealing with the negative occurrences which have a negative influence on the morale.</p> <p>The logistics procurement functioned without problems and focused on the 35th Division.</p>	
Zenica 29.05	<p>During the day Chetniks opened particularly intense fire from the infantry weapons, mortars and anti-aircraft weapons, particularly targeting the Podsjelovo facility - the access roads to our forward defence line.</p> <p>During the night between 28/29.05, around 01:00 hours, the arrival was noted of several vehicles from the region of the village of Kesten towards the village of Pejnovići.</p>

	,, In other operation groups /OG/ the situation is stable.		
Zenica, 04.05.94.	<p>After the withdrawal from the M. peak, today Chetniks shelled the same facility and, by means of the PEB equipment, we learned that yesterday one of their soldiers was killed.</p> <p>Yesterday, in the evening hours, the OG-3 "North" succeeded in seizing the facility of V. Karanovica, inflicting great loss to Chetniks in both the manpower and equipment. Today Chetniks were constantly shelling V. Karanovica, attempted and carried out several attacks that were successfully repelled. One soldier suffered light wounds.</p> <p>As to the activities of the 3rd Corps Command, the majority are in the field at the moment.</p>	<i>illegible!</i>	
Zenica, 05.05.94.	<p>Today Chetniks have continued strong artillery attacks on V. Karanovica and around 16:00 hours they attempted an infantry attack too, which has been repelled. In the other OG's zones of responsibility the usual provocative fire was noted, but there was no back-fire.</p> <p>The HVO extremists in Busovača planted a mine and blew up the minaret of the mosque. A protest has been filed to UNPROFOR.</p>	<i>illegible!</i>	
Zenica, 06.05.94.	<p>Today Chetniks have continued the shelling of the 330th Light Brigade's line of defence. On that occasion one soldier of the "El Mudžahid" Detachment got killed and 4 got wounded. The lines of defence are stable. At other battlefields the day passed relatively peacefully.</p> <p>Preparations are made for carrying out the operation, as ordered by the Supreme Command Staff, in the region of Vozuća at the level of the 3rd Corps Command. All necessary combat ...</p>		

	...documents and plans for the redeployment of manpower are being made.		
Zenica, 07.05.94.	<p>The day passed by with a constant fire coming from the Chetniks against our line of defence, and from the artillery weapons they were shelling the civilian residential areas, especially in the zone of responsibility of the OG 7 – “South”. They were also targeting the region of the village of Kamenica (the Command of the 309th Light Brigade), but without consequences. Our forces mainly did not fire back after the provocations. All activities of the 3rd Corps Command were directed towards the preparation and performance of the upcoming combat actions according to the plan “/illegible/ - 94”.</p> <p>At the 333rd Mountain Brigade Command, today UNPROFOR provided the information that they have established a commission to investigate the reasons for the destruction of the mosque in Busovača.</p>	/illegible/	
Zenica, 08.05.94.	<p>During the day, no major combat activities took place and Chetniks again shelled the line of defence in the OG “Bosna’s” zone of responsibility, killing one soldier. Our forces fired back when necessary. The handover of the 309th Mountain Brigade Commander’s duty was carried out in the presence of the 3rd Corps Chief of Staff.</p>	/illegible/	
Zenica, 09.05.94	<p>The day has gone by mainly with the provocations from PIN /<i>expansion unknown</i>/, and Chetniks were shelling the village of Kalošević using T-12. Our forces did not respond to the provocations. In the 3rd Corps Command, the activities regarding the planning and carrying out of the combat activities “BRANA-94”, are done according to the plan.</p> <p>A plan has been made of the deployment of the 3rd Corps Command officers in the preparations of the planned combat activities.</p> <p>A list has been made of the soldiers going to the Haj.</p>
